CLASS OF 1988

Return Medfield High School yearbooks from 1951, 1952, 1957, 1988, and 2019 to

A black and white photograph of a rocky coastline. In the foreground, a large, light-colored rock formation juts out into the water. The water is dark and turbulent, with white foam from breaking waves visible. In the background, more rocks and the sea are visible under a dark sky.

## **New Beginnings**

Each chapter that is ending  
Leads us to a new beginning,  
The past that we are leaving  
Means a future we are winning.

Each change that fills the present  
Sets the stage for our tomorrow,  
And how we meet each challenge  
Helps determine joy or sorrow.

In every new beginning  
Spirit plays a vital part  
We must approach tomorrow  
With a strong and steady heart

So, as we turn the corner  
Let all apprehension shed  
And fill our hearts with confidence  
As we proceed ahead.

— Bruce B. Wilmer

## Senior Farewell

This is our purpose: To make as meaningful as possible this life that has been bestowed upon us; To live in such a way that we may be proud of ourselves; To act in such a way that some part of us lives on.

# Dedication

This book is being dedicated to our principal Tassos Filledes.

A simple thanks before we go,  
Because we'd all like you to know.  
We realize, even though it wasn't always  
fun,  
You put yourself out,  
To help us all, to get things done,  
And as seniors we will leave for,  
Who knows where,  
But we'll always thank you, Mr. Filledes  
for being there,  
We know you care.
